

OLAA AND PENA.

T. E. Desky Tells of the Coffee Plantations He Visited.

A BULLETIN reporter interviewed C. E. Desky yesterday concerning his recent visit to Hawaii. That gentleman is perfectly delighted with what he saw on the big island, but prefers Honolulu to Hilo as a permanent residence.

Mr. Desky took a trip of three hundred miles on horseback through the coffee districts and made a stay of several days at Mr. Rycroft's place. He says Puna and Olaa districts have a great future before them and thinks that all the coffee planters will make as big fortunes as some Honolulu real estate men are accumulating. He has come back with the firm belief that the coffee industry in Hawaii will soon be second only to sugar.

Artist for Woman's Edition.

The designer of the illustrations of the Woman's Edition of Time, Mrs. Isabel Strong, is an artist of more than mediocre talent. In the first page drawing she has made a happy hit in delineating types of the children of various nationalities, attending our Kindergarten. All of her work shows a vigorous style, an abundance of originality and a ready faculty of grasping the salient points of a situation quickly. Mrs. Strong seems to have a large vein of inventive power in her art. The faculty of correctly depicting facial expression, as illustrated in the various faces common in Hawaii, is another noticeable feature. The general tone of her drawings is extremely fine, and the management of the woman's edition may congratulate themselves over the fact of having secured her assistance.

FITS CURED

(From U. S. Journal of Medicine.)
Prof. W. H. Peck, who makes a specialty of Epilepsy, has without doubt treated and cured more cases than any living Physician. His success is astonishing. We are proud of cases of 30 years' standing cured by him. He publishes valuable work on this disease which he sends with a large bottle of his absolute cure, free to any sufferer who may send their P. O. and Express address. We advise anyone wishing a cure to address, Prof. W. H. PECK, P. O., 4 Cedar St., New York.
